Sir:

In response to the Communication mailed April 26, 2011, and further to the comments therein, Petitioner hereby submits a Renewed Petition Under 37 C.F.R. § 1.78 to accept an unintentionally delayed benefit claim under 35 U.S.C. § 120. Supplied with this renewed petition is an executed Supplemental Application Data Sheet, as requested by the Office.

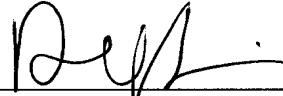

Petitioners confirm that the statement made in the original Petition that "the entire delay was unintentional" does refer to the entire delay between the date the claim was due under 37 C.F.R. §1.78(a)(2)(ii) and the date the claim was filed. Petitioners again affirm that the entire delay between the date the claim was due and the date the claim was filed was unintentional.

The surcharge for this petition is believed to have been paid previously, but if any additional fee is required for this renewed petition, please charge such fee to Deposit Account No. 05-1323, Docket No. 104341.B090019.

If there are any questions regarding this renewed petition, a telephone call to the undersigned would be appreciated.
